January 17, 2007

I am writing to advise you of a change at the Accessibility Directorate of Ontario. I will be retiring from the Ontario Public Service at the end of January. Ellen Waxman will assume the role of Assistant Deputy Minister of the Accessibility Directorate effective January 22, 2007.

Ellen brings with her a passion and extensive experience working on increasing opportunities and accessibility for persons with disabilities, having led the establishment of the Ontario Disability Support Program (ODSP) and most recently leadership for the transformation of the developmental services sector. While at the Ministry of Consumer and Business services, Ellen worked on an initiative to improve how Ontarians access government services. Ellen can be reached at ellen.waxman@ontario.ca.

I have truly enjoyed the opportunity to be in on the “ground floor” working with partners in the public and private sectors on the implementation of the *Accessibility for Ontarians with Disabilities Act, 2005*, toward the goal of an accessible Ontario by 2025.

Sincerely,

Original letter signed by Assistant Deputy Minister
