

Closing the Gap Healthcare Group and PRO Rehab join forces

MISSISSAUGA, ONTARIO – September 14, 2007

Closing the Gap Healthcare Group (CTGHG) is delighted to announce that it has joined forces with Professional Rehabilitation Outreach (also known as PRO Rehab). Under the terms of an agreement signed yesterday, CTGHG will assume responsibility for PRO Rehab's existing services contracts, effective October 1, 2007.

"Closing the Gap Healthcare Group and PRO Rehab share common visions and values, including an extraordinary commitment to providing community healthcare services of an exceptionally high quality," says Connie Clerici, President and CEO of CTGHG. "By combining our businesses, we have positioned ourselves to continue to provide the very best possible services to both current and future customers and clients."

"With the anticipated re-opening of managed competition in community healthcare in Ontario, PRO Rehab was seeking an external organization with which we could align to ensure that we continue to achieve our mission of providing innovative, quality, consumer-focused therapy services," says Kim Woodland, PRO Rehab's Executive Director. "We are confident that, by joining Closing the Gap Healthcare Group, our therapists can continue to improve the quality of life of our clients and play a leadership role in community-based rehabilitation, and at the same time enjoy ongoing job security and satisfaction."
