

# OHCA Announces *Legal Support Call Program*

Positive employee relations is critical to successful home care. Small workplace issues left unaddressed can end up being large and expensive headaches down the road.

In our continuing effort to provide value to our members, OHCA is very proud to announce its new *Legal Support Call Program* for employment and labour issues.

Through this pilot program all OHCA regular members will be entitled to one 15-minute call per month with labour and employment lawyer Erin Kuzz of Sherrard Kuzz LLP, or another lawyer in the firm if she is unavailable.

Call 416-603-0700 during regular business hours or, if the matter is urgent after hours, call the Sherrard Kuzz 24-Hour line at 416-420-0738, identify yourself as the designated OHCA member and ask away. It's that simple.

We encourage you to take advantage of this program.
