MEMORANDUM TO:

MMC

FROM:

**John McKinley
Assistant Deputy Minister**

SUBJECT:

**ANNOUNCEMENT
MARGARET MOTTERSHEAD APPOINTMENT**

I am pleased to announce Margaret Mottershead's immediate appointment to provide project leadership related to aligning Community Care Access Centres (CCACs) with the geographic boundaries of the Local Health Integration Networks (LHINs) pending passage of enabling legislation.

Reporting to Vida Vaitonis, Director, Home Care and Community Support Branch, Margaret will provide support and advice to the joint CCAC Provincial Planning Work Group and its associated sub-groups. The Work Group is comprised of Board and Executive leadership from CCACs, the Ontario Association of CCACs (OACCAC), the LHINs and the Ministry. It makes decisions and provides advice on the implementation process for CCAC alignment.

Margaret Mottershead is a highly respected and experienced leader in health care. Her leadership of this important project, and its role in transforming Ontario's health care system, brings the strategic, tactical, communications and negotiation skills needed for successful implementation.

Many will remember Margaret as Deputy Minister of the Ministry of Health and an executive in many Ontario Public Service (OPS) roles including Management Board, the Ministry of Culture, Communications and Citizenship and the Attorney General. Since leaving the OPS, Margaret has been an active volunteer Board member of health care institutions while leading a successful consulting business where she has helped her clients reach agreement on their future directions.

Please join me in welcoming Margaret back to the Ministry in this very exciting project.

John McKinley
